

Software Engineer (m/f) - Zurich, Switzerland

3AP (As Agile As Possible) is a young & professional agile software development company from Switzerland, with offices in Zurich & Belgrade. We have more than 10 years of experience in agile practices and through our unique “Rapid Application Delivery Framework” we managed to build a synergy between agile software development, client demands and innovation and to bring some new and technologically advanced solutions on the market.

For us, 2017 is the year of new challenges & growth. We are excited to add even more value to our clients, and therefore we would like to expand our Belgrade office and welcome highly motivated candidates to join our team.

Want to become a part of the team that is changing the future? Send us your CV in English at careers@3ap.ch.

Your Environment
